Linda,

Sorry, the letter attached to my September 02, 2015 8:27 AM email had an incorrect signature block. Please prepare the attached letter for routing.

Subject: CES Environmental Services, Inc.- Houston (A6JP) -- Extension letter is ready to print

Linda,

Please check the attached letter for grammar.

If OK, prepare the letter with needed envelope and folder (the old fashion way) for concurrences. Will need to add mail numbers to letter, print hard/yellow copies, make routing folder, and route folder with hard/yellow copies for needed concurrences and final signature.

Concurrence line (as a minimum) should include: Werner, Salinas, Johnson, Peycke, & Banipal.
